

2019–2020 Annual Report

In the following pages you will see the direct impact your support has had on the lives of the families we served during the 2019–20 fiscal year.

*On behalf of the community, **we thank you.** We could not save lives, rebuild families and change the future of those impacted by family violence without you—our supporters and our community partners.*

The pandemic began in March 2020 and had an impact in the final quarter of our fiscal year.
