

Non Violence Program (NVP) Volunteer  
Variable hours; Concord Office

### **About STAND!**

STAND! For Families Free of Violence is a multicultural organization that recognizes the devastating impact family violence has on children. Read more about our mission-driven agency at [www.standffov.org](http://www.standffov.org).

Our volunteers help our organization run - they staff our 24 hour Crisis Line, make presentations in the community, and help with the day-to-day operations. Our philosophy is that volunteers are powerful agents of change from the community who are choosing to partner with us in order to break the multi-generational cycle of violence.

Because we hold high standards for the services and programs we provide to our clients, both staff and volunteers must go through our mandated training. You will graduate from the training with the skills and tools you need in order to be an effective peer counselor and advocate to end domestic violence in our community. You will also receive HIPPA training, and graduate with the CA Evidence Code 1037 mandated Domestic Violence Peer Counselor certificate.

### **About the role**

Our Non Violence Program provides 52-week support groups for people who have and/or are using violence in their relationships. Some clients have been court mandated and some have volunteered. - Provide weekly support with voicemail and follow-up calls to clients, probation officers, social workers, and partner agencies
- (If approved) Serve as a moderator for support groups by providing administrative support, monitoring attendance, helping with zoom co-host functions for virtual classes and classroom set up/clean up for in-person classes, contributing to group discussions, etc.
