

Bilingual (Spanish/English) Domestic Violence Caseworker, Part Time, Overnight, Awake

We are currently seeking a part time (16 hours/week) Bilingual (Spanish/English) DV Caseworker to join our Crisis Line / Emergency Response Services team providing supportive services to adults and children who are impacted by domestic violence. In this overnight, awake role, Caseworkers provide phone-based support, counseling, advocacy, and referrals to people who are impacted by domestic violence, and in-person support to our emergency shelter and transitional housing program residents. They also provide emergency services to clients, including picking them up and bringing them into our shelter, conducting intake interviews, shelter orientations, and peer counseling for clients.

This position works two shifts per week from 11pm Friday night to 7.30am Saturday morning, and from 11pm Saturday night to 7.30am Sunday morning.

Caseworkers deliver a confidential, efficient, and friendly service to our clients in a trauma-informed, empathetic, and non-judgmental manner. They must be able to work independently with minimal supervision, therefore previous experience working in a residential facility or answering a crisis line is required. The successful candidate will be experienced, comfortable and confident in their own abilities to make independent decisions and respond appropriately to manage and de-escalate emergency crisis situations with clients.

As well as answering our phone line, Caseworkers provide direct emergency services to clients alongside police and hospital staff, and provide interventions like safety planning, and advocating on their behalf with other organizations and services.

Information management is vital to maintaining excellence in our service delivery, and our Domestic Violence Caseworkers keep up to date, accurate documentation of client contact and activity that occurs while they are working.
