

## *Residential and Housing Programs Manager*

We are currently seeking an experienced manager to oversee the operations of STAND!'s residential and housing services, comprising STAND!'s own emergency shelter and transitional housing programs, plus housing-related programs operated in collaboration with community partners.

The manager will innovate, develop, implement, and manage residential programs and services designed to meet the changing needs of clients and partners, ensuring high quality, leading-edge services are delivered consistent with STAND!'s approach. Primary duties include:

- Develop, implement, and provide oversight of services, programs, policies and procedures for the emergency shelter, transitional housing, and community housing programs. Manage programs in line with contract, legal, and professional requirements.
- Research, design and develop proposals for program improvements that keep STAND!'s programs at the leading edge of service provision.
- Implement and manage contract compliance, reporting and accountability for outcomes and goals as stated in the grants/contracts for ES, TH, and community housing programs.
- Develop, implement, and maintain systems and services that ensure clients are provided consistent, culturally relevant, high-quality services.
- Provide regular client case reviews and consultation to staff for on-going casework.
- Collaborate with other managers to build capacity, communicate effectively, and ensure excellent service quality across the agency.
- Work with team coordinators to build capacity and support their administrative/management functions.
- Build and maintain positive working relationships with partners and collaborating providers
- Full scope personnel management, learning, and development activities for program employees; oversee the training and development of volunteers.
- Coordinate and/or deliver in-service training about programs/services, and other areas of expertise. Participate in internal training events including orientations, DV Counselor training, etc.
- Assist in grant preparation and budget development for funding.
- Monitor and ensure budget compliance for all programs managed.
- Ensure accurate and timely data-entry into database. Analyze data and prepare reports
- Coordinate with Operations Director to address physical space issues
- Develop contingency plans that support programs to continue (adapted) services during emergencies and periods of disruption
- Actively contribute to and participate in cross-agency leadership work including strategic planning efforts, agency committees, etc.
- Participate in on-call, after-hours consultation team.
