

# 2020–2021 Annual Report

In the following pages you will see the direct impact your support has had on the lives of the families we served during the 2020–21 fiscal year.

On behalf of the community, **we thank you.** We could not save lives, rebuild families and change the future of those impacted by family violence without you—our supporters and our community partners.

The pandemic began in March 2020 and had an impact throughout this fiscal year.
