

Non-Violence Program Group Facilitator, 10-12 hours/week, Onsite

At STAND! For Families Free of Violence, we believe that working with all members of the family is critical to our mission to eliminate gender-based violence, promote healthy relationships, and strengthen families.

Our work with people who have used violence in their relationships is an important piece of this, and we are currently recruiting a part-time Group Facilitator to work 10-12 hours/week facilitating STAND!'s Non-Violence Groups (Batterer's Intervention Program). Our clients often face a range of complex issues and challenges so, in addition to group-based work, Group Facilitators coordinate services with other programs within STAND! and with external organizations, including probation departments. They work with our clients in a confidential, respectful, empathetic, and non-judgmental manner; and serve clients from a trauma-informed perspective, while maintaining appropriate boundaries. **To meet the needs of our clients, this position works in-person, onsite** at STAND!'s locations and other facilities.
