

Domestic Violence Caseworker, Part Time 16 hours/week

We are currently seeking a part-time DV Caseworker to join our Crisis Line team providing supportive services to people impacted by domestic violence.

The Caseworker will provide phone-based support, peer counseling, safety planning, advocacy and referrals to people who are impacted by domestic violence, and in-person support to our emergency shelter and transitional housing program residents. They also provide emergency services to clients, including picking them up and bringing them into our shelter, conducting intake interviews, and shelter orientations. **This position works Friday and Saturday Swing Shifts from 3pm – 11.30pm.**

Caseworkers deliver a confidential, efficient, and friendly service to our clients in a trauma-informed, empathetic, and non-judgmental manner. They must be able to work independently with minimal supervision, therefore previous experience answering a crisis line and working in a residential setting is required. Information management is vital to maintaining excellence in our service delivery, and our Domestic Violence Caseworkers keep up to date, accurate documentation of client contact and activity that occurs while they are working.
